Cumann na mBunscol Gaelic Football Final

On the 20th of November at 10 o'clock Boston N.S faced St. Tolas in the division six football final. On the day Boston played well but were beaten by a much bigger and only slightly better team. This was the first time Boston-Tubber have ever gone to a football final. Many thanks to Dermot coaching us and to Ms.Doherty for organising the team sheets and transport and washing the jerseys.

Christmas Fair

This year we decided we were going to have a Christmas fair. In the lead up to the fair we had to decorate, clean, bake and make items for sale for the fair. We made log candles, bracelets, crochet decorations, treats, baked goods etc. We cleaned and tidied the rooms, decorated the school and created a Santa's Grotto in the staff room.

Calendar

Boston NS is closing on Friday the 19th of December at 12 o'clock. We will be opening again on the 5th of January. We wish you and your families a Merry Christmas and a happy New Year see you all in 2026.

Go Raibh Maith Agaibh!

I would like to take this opportunity to thank everyone. Thank you to our fantastic teachers', SNA, secretary and cleaner who are a great team to work with. To all the parents, for putting your faith in us and supporting us in everything we do. To the BoM and PA thank you for your help in running the school.

To all our wonderful, fun, talented, amazing pupils, thank you most of all. I hope you all get the gifts you're hoping for and have a wonderful Christmas break. I look forward to creating more memories with you in 2026.

Nollaig Shona!

We held our Christmas fair on Saturday 6th of December. We had a visit from Santa Claus. Santa arrived on the back of a lorry and gave out selection boxes to everyone. We had a lot of cakes and treats for sale. We sold candle logs, jelly boots, bracelets, Mrs. Claus cookies, reindeer food, angels, wreaths and much more. We had a monster raffle with about 20 fantastic prizes. We raised a whopping €3340 for the school. This money will be spent on activities and on improving our facilities here in Boston N.S.
